## Vista College India offers CompTIA Linux+ Certification Training

Linux operating systems are very popular today. Companies need IT professionals who are Linux trained. There is an immensely colossal demand than ever for skilled technicians. Enrolling in the Linux+ certification training program from Vista Technical is a great way to show you have what it takes to succeed. You can be ready for your Linux+ certification exam in as little as four weeks. You will have the knowledge to get the certification and be ready to start a career as a Linux administrator or other related position.

### Two exams cover the following topics:

#### 01 LX0-101 EXAM

- System Architecture
- Linux Installation and Package Management
- GNU and Unix Commands
- Devices, Linux File systems, File system Hierarchy Standard

#### 02 LX0-102 EXAM

- Shells, Scripting and Data Management
- User Interfaces and Desktops
- Administrative Tasks
- Essential System Services
- Networking Fundamentals
- Security

### Linux+ certification can help you become

	Junior Linux Administrator		Junior Network Administrator		Systems Administrator
	Linux Database Administrator		Web Administrator		

## Linux+ Certification Advantages

Linux+ certification has many benefits. You may have access to higher paying jobs. You will be able to apply to jobs with confidence. Your supervisors and co-workers will respect you more. Your certification proves your knowledge and skills are important to you. It shows you are committed to being the best you can be.
