# About CompTIA

CompTIA is the voice of the world's IT industry. Our members are the companies at the forefront of innovation and the professionals responsible for maximizing the benefits organizations receive from their investments in technology. CompTIA is dedicated to advancing industry growth through educational programs, market research, networking events, professional certifications, and public policy advocacy. For more information, please visit [www.comptia.org](http://www.comptia.org).

## Vista College India offers CompTIA Network+ Certification Training

The CompTIA Network+ curriculum focuses on new technologies, protocols and standards for networking, mapping to CompTIA Network+ certification. The demand for skilled network support professionals continues to grow, and CompTIA Network+ is a valuable credential to help start or enhance a networking career.

CompTIA Network+ certification validates the knowledge and skills of networking professionals. It is an international, vendor-neutral certification that recognizes a technician's ability to describe the features and functions of networking components and to install, configure and troubleshoot basic networking hardware, protocols and services.

### Upon successful completion of this course, you will be able to understand

- 01 Identify and Understand Network Communications
- 02 Identify and Understand Networking Media
- 03 Understand and Implement TCP/IP Networks
- 04 Understand and Implement a Local Area Network
- 05 Understand Data Storage and WAN
- 06 Troubleshoot Networks

### CompTIA Network+ certification can help you become

	Helpdesk Engineer		Network support Engineer		Junior Network Engineer
--	-------------------	--	--------------------------	--	-------------------------

## Benefits of Network + Certifications

Network+ certification gives you the skills you need to succeed. Network+ certification shows potential employers you could be valuable to them. It proves you have skills and expertise. 74 percent of IT managers say certification is important when hiring or promoting IT professionals. Certification also shows you are willing to keep up with the latest technology and education.
