## Vista College India offers CompTIA Security+ Certification Training

The CompTIA Security+ certification teaches critical security concepts. Every IT administrator should know these concepts. CompTIA certification helps you understand security threats and issues. Your online training at Vista College takes you to the next level. It lets you apply what you've learned to real-life situations.

You will learn tips for taking the CompTIA Security+ exam. The course covers all of the new CompTIA Security+ exam objectives. It includes maps to the new Security+ 2008 exam. The course covers important industry topics like Wi-Fi Security. CompTIA Security+ is an international, vendor-neutral certification that demonstrates competency in:

- 01 Network security
- 02 Compliance and operational security
- 03 Threats and vulnerabilities
- 04 Application, data and host security
- 05 Access control and identity management
- 06 Cryptography

### Security+ certification can help you become

✓	Security Architect	✓	Security Engineer	✓	Security Consultant/Specialist	✓	Network Administrator
✓	Linux Database Administrator	✓	Security Administrator	✓	Information Assurance Technician		

## CompTIA Security+ Certification Advantages

Security+ certification from Vista Technical gives you the skills and training you need to compete. Certification shows potential employers you have the knowledge you need to protect their data and network. Your Security+ certification proves you have expertise. This will help you stand out from your competition.

Security+ certification is valuable when you begin your IT career and when you want promotions. In fact, 74 percent of IT managers say certification is one of the most important qualities you can have. You will also be able to move to another company when you want if you have Security+ certification.
